

A MATTER OF BALANCE

MANAGING CONCERNS ABOUT FALLS

Many older adults are concerned about falling and may restrict their activities.

A MATTER OF BALANCE is an award-winning program designed to manage falls and increase activity levels in adults age 60 and older.

This program emphasizes practical strategies to manage falls. Delivered in a workshop format, classes are held once a week for eight weeks.

You will learn how to:

- View falls as controllable
- Set goals for increasing activity
- Make changes to reduce fall risks at home
- Add exercises to increase strength and balance

Who should attend?

- Anyone with concerns about falling
- Those interested in improving balance, flexibility and strength
- Someone who has fallen in the past
- Anyone who has restricted their activities because of falling concerns

Space is limited for this FREE program.
