by calling (574) 336-2652 to register.**

Program may be provided in part by funding through Indiana Family and Social Services Administration through the Older Americans Act.

Donna Pangburn

Counselor

Donna Pangburn is a former teacher and Parent Support Coach. With a degree in Clinical Mental Health, her passion as a counselor is supporting people in their journey to understanding themselves. She believes we are born curious and spend our lives seeking to be understood and to understand. Her curiosity led her to learn about the body-mind connection and how we develop neural networks in response to things in our past and present.
