

2024

Impact Report

Championing independence, strength, and dignity for our community since 1966.

On behalf of the Board of Directors, Advisory Councils, and the dedicated team at REAL Services, I am honored to share this year's impact report.

This year has brought both challenges and change—but through it all, REAL Services has remained a steady, trusted presence. With a legacy of service built over decades, we are uniquely positioned to respond to the complex and growing needs of older adults and individuals facing financial hardship across our region.

Our mission is both timeless and timely: to lift up those who need support the most. Whether it's a hot meal, safe and reliable transportation, help with utility bills, arranging in-home services, or helping families meet basic needs, we walk alongside thousands of neighbors every year—with compassion, respect, and practical help.

We are deeply grateful for the unwavering trust placed in us by our clients, partners, volunteers, and donors. Your support fuels our work and strengthens our resolve to keep moving forward—together—no matter what lies ahead.

Karla (KJ) Mapes

President & Chief
Executive Officer

Our Strategic Focus

Accountability

We are here for our community, uniquely responsible to those we serve, our funders, and those who financially support our mission and vision, and promote transparent and ethical operations focused on long term stability, innovation, and capacity to adapt to change.

Caring

We espouse and uphold a culture of acceptance and respect, where all people feel welcomed, honored and valued. We seek to provide a safe, positive and nurturing environment for staff, those we serve, and community members.

Excellence

We meet or exceed our customers, employees, funders and the communities' expectations and address the needs of those we serve through person centered programming, effective leadership and exceptional customer service.

Our Mission

We seek to be recognized as the trusted and valued community resource for those striving to become financially self-sufficient, aging adults, and people living with dementia, as well as those who care for them.

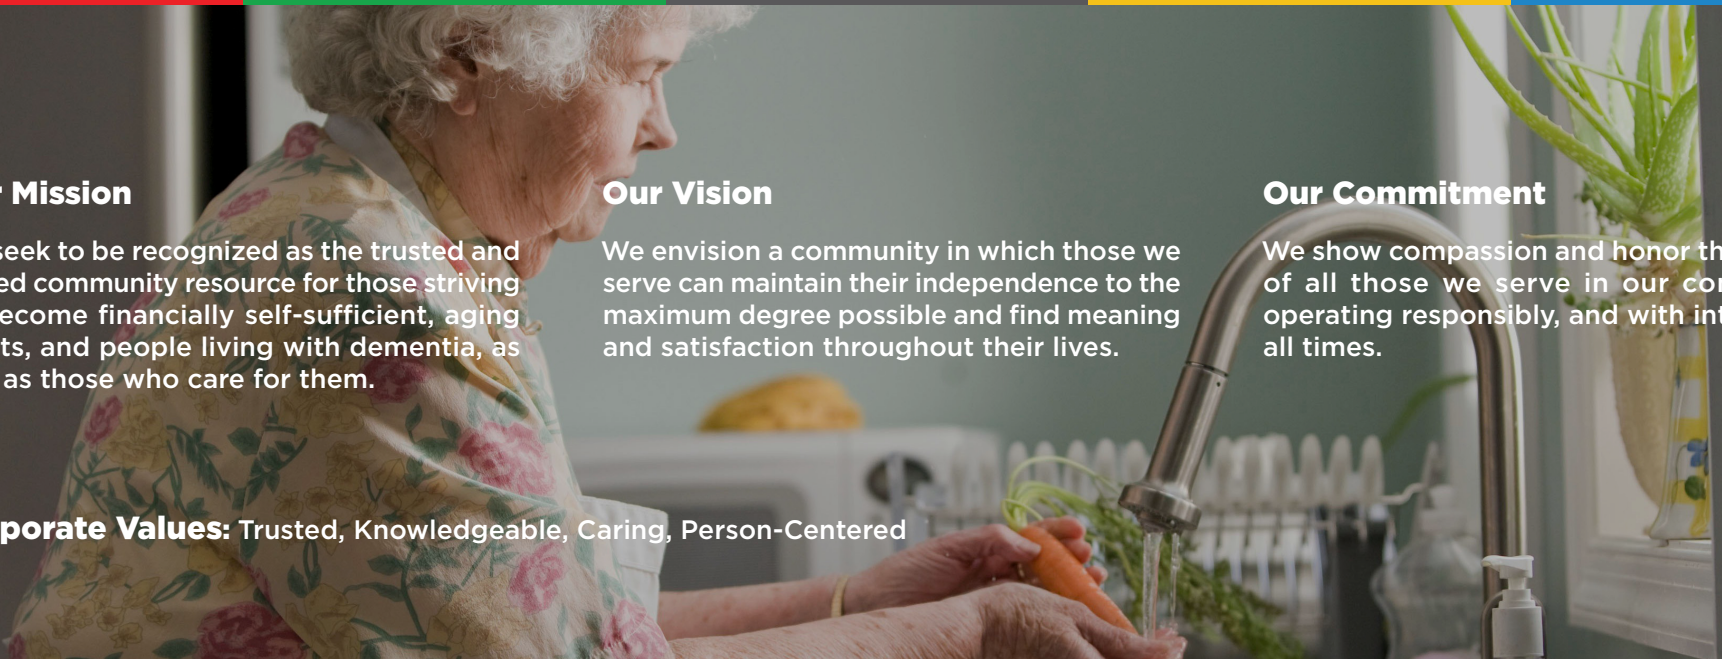

Our Vision

We envision a community in which those we serve can maintain their independence to the maximum degree possible and find meaning and satisfaction throughout their lives.

Our Commitment

We show compassion and honor the dignity of all those we serve in our community, operating responsibly, and with integrity at all times.

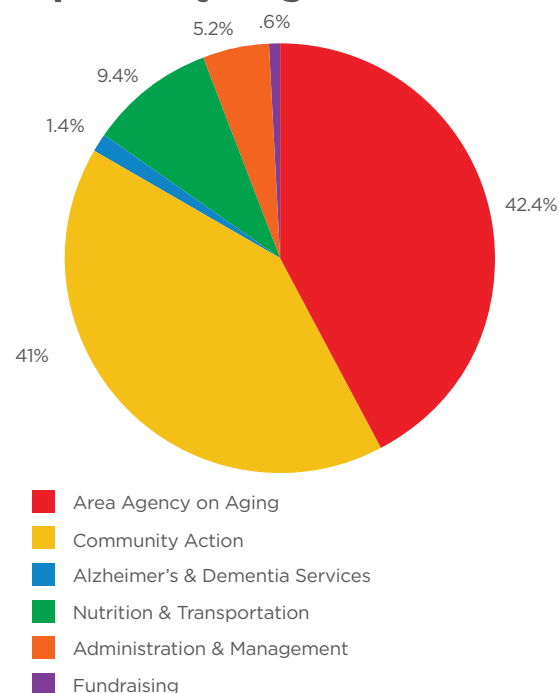

Corporate Values: Trusted, Knowledgeable, Caring, Person-Centered

Program Spotlight

Community Action: Family Development

"Attending the Family Development Picnic and hearing another client's story inspired me to pursue my own dreams. Their journey gave me the confidence to get my QMA license and enroll in nursing school—now I'm on my way to achieving my own goals!"

Program Spotlight

Community Action: Energy Assistance Program

"I'm a senior on a fixed income, and the Energy Assistance Program has really helped me. In the winter, my gas bills get high, and it's important to keep my house warm. This program makes a big difference so I don't have to worry as much. I'm also part of the Foster Grandparent Program at REAL Services. The staff there helped me fill out all my paperwork and make sure it gets turned in right when the program opens. I'm so thankful for their help—it takes a big weight off my old shoulders."

Debra B.

Our Heartfelt Thanks

REAL Services' mission is more than a statement—it's a shared purpose that drives every action we take. Even in a year of continued challenges, the dedication of this team has remained unwavering.

I'm proud to serve alongside those who lead with compassion and act with impact. Our work wouldn't be possible without the commitment of our board, advisory councils, volunteers, and supporters.

Together, we're helping older adults and individuals facing financial hardship move forward with hope and dignity.

Program Spotlight

Community Action: Team HEAT

"I am a Foster Grandparent at REAL Services. I was able to get help from the Team HEAT program quickly, and that was such a blessing. I'm dealing with cancer, and just keeping up with everything has been tough. The heat bill was one more thing on my plate, but thanks to Team HEAT, I got some extra help to cover part of it. It's not everything, but it sure takes a huge weight off my shoulders. I'm so grateful for the support when I really needed it."
